From the Principal - Dr Carmel McGrath

**Student Free Day - Monday 17 October. No classes on this day.** Normal classes will resume on Tuesday 18 October. Staff will be attending Professional Development sessions on this day. Jabiru is open on the Monday, but if you are not attending you will need to cancel your regular booking. Jabiru phone 3254 1210.

**Prep 2017 Open Morning (Save the Date) - Thursday 27 October 9am -11am.**

**Courtesey on our school roads** - Thank you to the families who are following the rules in the 2 minute pick up zone area of the school. We have seen a marked improvement and it has been because of people being courteous while they are waiting.

Just a reminder however that the 2 minute zone is meant to be used as just that. You are expected to stay in your car while waiting in that area and then move on after 2 minutes if your child has not been collected. Your child will be kept safe behind the school gates until you arrive again. Council has advised that it will be monitoring this area more regularly and drivers will be booked for double parking and not obeying the parking signs.

There are other rules in place to ensure the safety of our students for example, the use of the Disabled Carpark at the front of the school which is for the use of our students with disabilities. Please be mindful of parking around our school and observe Council's parking signs.

Again, thank you for working with the school to ensure that school drop off and pick up times are safe for your children!
**Gala day 1 Friday 7 October** - Thank you to all our students for their wonderful sportsmanship shown at the venues last Friday. Thank you to: Mr Philip Davis, Ms Julia Forsberg and Mr Steve Conde for accompanying the Cricket players to Shaw Road, Woolloowin; to Mr John Rafter and Mr Kent Rainbow for accompanying the Touch Football teams and to Mrs Jan Dickens for accompanying the Netball team to Downey Park. By all report the games were well played and most enjoyable for the teams. Thank you to the parents for preparing the children for the day. Please finalise all payments as a matter of urgency.

**Hats and Heels Fundraiser at Bucci Restaurant New Farm** - Saturday 8 October. Thank you to the P&C committee, especially Rachel Kendrick, Nikki Mortimer, April Whittam and Janelle Moody for their tireless efforts and countless hours in preparation for this wonderful event. Thank you to Honourable Grace Grace and Councillor Vicki Howard for their attendance. We shared a lovely meal and plenty of laughs with the New Farm School community. Thank you to all the New Farm ladies and friends for your continued support of the New Farm P&C fundraising efforts. It was certainly nice to see those familiar faces and some new faces who will be joining our community next year. Your support is most appreciated.

Thank you to Tanja and Shaun Malone, and their staff from Bucci Restaurant for hosting us on Saturday. The food was delicious and the hospitality was outstanding. Please see the photo selection in this week’s newsletter.

**Prep 2017 enrolments** have been steadily growing and I would like to encourage families if they know of anyone in the catchment areas to contact the office as soon as possible to collect their enrolment pack for 2017. Please be reminded to come along to the Prep 2017 Open morning on Thursday 27 October at 9am -11am in the school hall.

**Lost Property** - please check the lost property if your child is missing a jumper or jacket. There is an enormous amount of clothing in our lost property at present. This is located under A Block near the uniform shop. Please remember that any items left in lost property after Friday 14 October, that they will be donated to the uniform shops second hand items.

**Community Spirit Awards** - Back by popular demand we are announcing another round of Community Spirit Awards. We have had so many wonderful events this year already and some of our families have certainly stood out and deserved to be thanked for their tireless work for our school. Please find attached to today’s newsletter the required information and nomination forms. Nominations are due as a matter of urgency. The awards will be presented at assembly on Friday 4 November.

**Year 5 Students-Leadership Roles for 2017** - Nomination’s will close on Friday 14 October at 3pm precisely. The short listed students will be interview by the Principal on Thursday 27 October. Nomination forms are available from the office.

SEP/GEM (Specialist Education Program and Gifted Education Mentor)

At New Farm SS we believe that all students, including students with disability, can learn and should be able to demonstrate progress in their learning. As a team, we work closely with class teachers, specialist teachers, teacher aides and parents to provide the best learning environments for our students which cater for their individual needs. We achieve this by providing support programs (including social skills development, emotional regulation support, our Supported Play and Transition programs), which target areas of need that are identified through our individual goal setting and review process and regular discussions of our students’ progress.

Our Special Education Program is set within the Education Queensland’s framework for supporting children with disability which is committed to ensure that all students, including students with disability can access, participate and succeed in education on the same basis as other students.

Below is the link to the DET’s Education for children with disability - a guide for parent’s website which will give you a broad understanding of the support available for children and young people with disability in the state school sector.

This guide will give you a quick tour of:

- schooling for students with disability in Queensland
- the importance of early childhood education
- the specialised support available to children and students with disability
- what you can do to get the best outcomes for your child.

Students Intentions for 2017

Class Allocations for 2017 - Each year teachers make careful consideration about how to allocate students for the following year’s classes. Teachers consider ability, gender, friendships, learning needs and more. Parent requests for special consideration are also taken into account. As you can imagine, it is a complex and time consuming task. Therefore it is essential parents make their requests in writing to admin@newfarmss.eq.edu.au before Friday, 14th of October.

Specific teacher requests can’t be considered as teaching allocations are not finalised until the last weeks of Term 4, after classes have been formed.

Student Intentions for 2017- Each year we need to predict our class allocations for the following year. We appreciate families letting us know of their intentions for the 2017 school year.

If you do know that your children will not be attending New Farm State School in 2017 could you please let the office know as soon as possible, in writing to admin@newfarmss.eq.edu.au
Kent Rainbow
Specialist Teacher- Physical Education-TERM 4 SWIMMING

Our Physical Education Swimming Program commences week 3 to week 9 of Term 4.

The most essential items to have ready for your child’s participation are as follows:

- **Appropriate swimwear to undertake lessons.**
  Please ensure that students do not bring baggy shorts that come below the knees to school to swim in as these do restrict ability to swim comfortably and with correct stroke.
  Board shorts and bikinis are not appropriate for lessons.
- **Sun Shirt.** All children must wear a sun shirt – tight fitting (please check).
- **Swimming cap are compulsory (regardless of hair length).** Please check your current cap for a tight fit. New Farm State School **Silicone swim caps are available from the uniform shop for $10 Cash only.**

If you have any questions or concerns regarding your child’s participation in the Physical Education Swimming program please speak to your child’s class teacher.

**Dance Concert- Thank you from the P&C Committee** - Term 3 came to an end in real style, with the fabulous dance concert. All of the hard work each class had put into learning their steps throughout the term really came together on the night and they had such fun doing it. It was wonderful to discover that the atrocious weather that day didn’t dampen anyone’s spirits or put people off coming to watch. The hall was absolutely packed with families; really lovely to see.

And what school concert would be complete without a sausage sizzle and lolly stall? Thank you - as always - to our loyal band of volunteers who coped with a deluge of both rain and people wanting sausages straight after the first half of the performance! We were mobbed. And, despite having to queue to collect said sausages in the pouring rain, the happy atmosphere of the evening kept smiles on everyone’s faces.

A very big thank you to Kelly Hewlett and LJ Hooker for their generous sponsorship of this fundraiser, which gave our air conditioning fund a significant boost.

Look forward to doing it all again next year . . . on a balmy day!!!

**Focus:**

Students need to remember that everyone has something to add to a game or activity. When we hear ideas for others we may not always agree but we can always learn another way or another point of view.

- **Looks Like**
  - Students cooperating
  - Waiting patiently
  - Orderly

- **Sounds Like**
  - People agreeing
  - Negotiating

- **Feels Like**
  - Being listened to
  - Content (happy with the outcome)
Hats and Heels P&C Fundraiser Saturday 8 October.

Held at Bucci Restaurant James Street, Fortitude Valley.

Thank you to all our wonderful supporters. It was a sensational afternoon and with lots of fun and laughter. We look forward to announcing the final tally of funds raised.
Thank you from the P&C Committee- Hats & Heels . . . looking back on a fantastic afternoon

Saturday heralded our hotly anticipated ladies luncheon and fashion parade; the first Hats & Heels.

The sun was shining brightly as 90 beautifully dressed ladies (and one nicely shod gent) glided into Bucci to enjoy the first - but certainly not last - glass of champagne of the day. Everybody made such an effort with their outfits and it's fair to say that the hats & heels in the room were absolutely stunning.

Mi Colour and Studio Luxe generously provided a pop up hair and make-up bar for any top-ups and hair repairs required during the day. One lucky attendee will even win a pamper package with them, once they make the draw.

In time, everybody took their seats to enjoy the festivities of the day. First up was a parade of absolutely stand-out hats by the lovely ladies of Headquarters Hair, who modelled milliner Sheryl Polley's pieces, and then the fashion parade of chic clothing by St Barts. I'd like to say a huge thank you at this point to the brilliant mums who volunteered to be our models. You were fantastic and made the parade such good fun. (Quick reminder that if anything really appealed to you, there's 10% off for event attendees until close of business today).

Lunch progressed seamlessly and deliciously around these activities, and the champagne flowed freely alongside it. Next up was the live auction, hosted by the brilliant Billy Jazz (thanks so much to McGrath for making him available on their busiest auction day of the week). He really got the crowd going and there were hoots of laughter as each item was introduced and shown around the room. These four major items - a weekend at the QT Hotel on the Gold Coast (with an Audi included) donated by Audi Centre Brisbane, a hand-made, bespoke hat by Brisbane stylist and milliner Laura Churchill perfectly accompanied with a unique patent brass clutch by Indepal, stunning Princess cut, diamond hoop earrings from Michael Hill and a one-off charcoal portrait of Prince by the extremely talented, local artist, Mick Evans - were all snapped up in a flash.

All this time, the silent auction was running in the background. We'd managed to source some really unusual items, so there were some very hotly contested lots by the time it closed.

The afternoon wound down at 4pm and everybody left, with big smiles and a goodie bag, which really was packed with 'goodies'.

The 'thank yous' are too numerous to include in this small piece, but I really do have to single out Fiona Murcott, who did sterling work as MC for the day. It was no mean feat making herself heard over the happy hubbub in the dining room. And I also want to take the opportunity to convey our huge thanks to sponsors, Hutchinson Builders, Consolidated Properties Group, Councillor Vicki Howard, Merthyr Village, Sherrie Storor Property and NR Barbi solicitors.

Finally, a huge thank you to everyone who came along on the day. We couldn't have made it happen without your support. The funds raised are going towards the air conditioning project at the school and I'll be able to let you know the final amount in next week's newsletter.

Community Spirit Award

Guidelines

There are many people in our school community (students, parents and staff) who spend countless hours volunteering and supporting a wide range of activities in a number of diverse communities. They demonstrate outstanding commitment to a local community.

The NFSS Community Spirit Award is about recognising and celebrating commitments such as:

- the spirit of giving back to the community;
- volunteering one's time for others;
- raising awareness for healthier communities;
- being a positive community role model and leader;
- making a change in the community; and
- inspiring others to make a difference in their local community.

The award presents an exciting opportunity to acknowledge the NFSS students, parents and staff, who are using their skills to make our community a better place.

A school panel will select a number of award recipients who will be recognised at a special assembly in week 5 of term 4. This will be an opportunity to shine the spotlight on some of the special contributions individuals or groups have made this year.

Who can you nominate?

Students, parents and staff/volunteers of New Farm State School
