**Prep Building Project**-
The demountable site has been cleared of the raised garden beds and trees.

The civil works and the installation of the temporary water connection was completed last weekend. Recent soil test results indicate that this site is mostly a rock surface. As a result, we have had to modify the way the demountables are tied down which has meant a delay in the program deadline. These tie downs will now occur over the following weekend with building delivery on 4 December.

Year 6 Graduation Morning Tea- Thank you to the Year 5 parents who have volunteered to assist on the morning of Tuesday 6 December. We are still requiring a few more parents to volunteer to assist us with contributing some food items to the morning tea. Please rsvp your food item you would like to contribute to Yvonne McGrath Burgess ymegr0@eq.edu.au by Wednesday 23 November.
Last week I provided some Literacy activities that families can incorporate into their holiday schedules to continue with some light literacy based routines over the break, this week I have included activities suited to our older students as well as some more activities suited to all year levels. This added practice will help children to continue to progress while they are not at school and should also help children to see the links between the activities that they do at school and how they relate to the real world and home environments.

Have a good week,
Cassie
School Pickup times and Office hours- Parents please be reminded that our office closes at 3.30pm each afternoon. All students should be collected by the second bell at 3.20pm. Any students left unsupervised at this time will be taken to Jabiru before and after school care as emergency supervision.

Fees will apply to parents on collection of child. Any students attending Community Education Program classes are reminded to go straight to the class areas.

Kent Rainbow- Physical Education Teacher.

House Swimming Carnivals

Our Interhouse Swimming Carnivals occur Friday 25 November (Year 4-6) and Friday 2 December (Prep –Year 3).

Students self-nominate for the events by proceeding to the marshalling area when the events are called. It is strongly recommended that all students compete in all strokes of which they are capable of swimming the stroke confidently. Senior students and staff will be there to assist swimmers to complete their swim if needed. Students that require a kickboard will be allowed to use one for support.

Points are awarded to all students (houses) when they compete. The aim of the carnival is for all students to participate and enjoy the experience of competition. No ribbons or Age champions are awarded. Last year’s carnivals were very enjoyable and a great finish to the year.

Age races for those born 2006 to 2004, of 51m (3 laps), will be held for each stroke to determine Age Champions (10-12 Years for this year).

All 51m (3 lap) races will provide opportunity to gain approximate times for determining the 2017 District Trials selections for those born 2008 – 2005 (held in February). Should your child be interested in selection for the District trials in 2017 this will be the opportunity to establish a time if times from club, squad training, or other competition won’t be available to you.

All students need to have sunscreen applied prior to arrival at school and have a water bottle if possible. Their school hat, and house or school shirt are to be worn when not competing. We look forward to a great day.

Preparing your child with ASD for the school holidays

The following information is from the *Autism Spectrum Disorder – Online transition resource package – Information for families*. The resource aims to provide a broad understanding of the support available for children and young people with ASD. The package is available at [http://education.qld.gov.au/asd-online-resource-kit/](http://education.qld.gov.au/asd-online-resource-kit/).

School holidays can be a big change in routine that need consideration and planning. School holidays are usually an opportunity for children and families to relax and have a break.

However, for the child with ASD who may thrive on the routine and structure of the school day, holidays may be stressful and challenging. For example, removing the predictability of the school routine could result in increased anxiety and challenging behaviours. Challenging behaviour can occur when children are not sure what to do with their time or when they do not know what is expected of them.

Of course, not every child with ASD will find the school holidays stressful. Time away from the demands of the classroom can be a positive experience for some children and the return to school after a period of ‘down time’ at home can be the greatest challenge. It is important that children are prepared for the move back to school as this usually provides some amount of stress to most children.

Parents may worry that they are required to plan fun-filled and entertainment packed events every day of the holidays. School holidays do not need to be filled with activities at every hour of the day or require parents to spend large amounts of money or resources. There are a range of strategies that you can put in place and resources you can access to assist in ensuring school holidays are relaxing and enjoyable for all.
Most important is the need to consider, plan and prepare for activities, outings or routines that suit your child, your family and the time and resources you have available. Some time also needs to be set aside to prepare for the new school term or year so that the family is prepared, equipment and uniforms are organised and when possible, routines have been practised.

The following tip sheets and templates can help you to plan the school holiday period and the return to school:

- **Tips for school holiday activities**

- **Tips for vacation care programs**

- **Tips for accessing respite care**

- **Tips for planning for the holiday period**

- **My School Holiday Planner (template)**

**Music News**

**NEW CHOIR Starting at New Farm.**

In 2017 Ms Thacker is starting a Senior Choir for students in Grade 4, 5 and 6. The Choir is forming to give students the opportunity to continue their singing and vocal ensemble performing skills that began in Grade two and three. The repertoire will be more challenging than the younger choirs and include singing in harmony parts. The majority of girls and boys in Grades 4, 5 and 6 have treble voices and sing in the treble clef between middle C and high E. The choir will develop this range, their aural skills and confidence at singing for an audience. Rehearsals will take place in the music room at 8am one day per week. Students elect to join the Group and commit for one term at a time.

Ms Thacker is looking for a NEW NAME for the group if anyone has a great idea please let her know!!

Dear Parent/Carers

Please find attached the program for the Christmas Concert. A few housekeeping items to mention so we have a safe and enjoyable concert.

1. We are holding our concert this year in two parts: 5.30 p.m. – 6.15 p.m. will feature Prep to Year 2 students and 6.30 p.m. to 7.30 p.m. will be for Year 3 to Year 6 students.
2. There will be a short interval at approximately 6.15 p.m. to allow for the changeover of students and audience.
3. All students should report to the Assembly Hall at either 5.15 p.m. or 6.15 p.m. They should not go to their classroom. All staff will be in the Hall.
4. Please remain seated during the concert when filming and photographing your child. If you are standing, this can block someone else’s view.
5. Standing will only be available at the back of the hall, not in the aisle, as performers may need access during the concert.
6. We would appreciate it if toddlers and pre-schoolers are seated on parents’ laps so we can seat as many adults as possible.

We hope you enjoy our 2016 Christmas Concert!

Jabiru Kids holiday update including three day closure advice

Service closure –

Wednesday 21- Friday 23 December

The school has advised us that the school grounds will be closed from Wednesday 21 December to Friday 23 December for asbestos removal, so we have had to close our service for those days. We apologise for the inconvenience. Children from New Farm will be welcome at our services at Petrie Terrace, Northgate or Stafford on those dates.

About the program

We’ve got some great activities planned, including:

- two circus play workshops with Muma SoulShine
- introductions to deadly Australian creatures and weird sea-life
- special guests helping children creating a cool art clock to take home
- by special request, THREE movie excursions at our local New Farm Cinemas
- a trip to Movie World to end the holidays
- water play days to keep things cool.

Trial – split age program

- In the last week of the holidays we’re trialling a new approach, breaking the students into two groups so we can tailor activities for older students as well as the younger group. We hope your children will enjoy this approach.

Jabiru Kids New Farm opens from 6.30am to 6pm over the holidays. We even serve breakfast!

The full program is available from Jabiru New Farm or online at www.jabiru.org.au
