Arrive Safe Leave Safe

Focus

To ensure that students arrive at school safely and travel home safely. This social skill reinforces the use of the crossings available, travelling directly to and from school and ensuring safety when using the drop off zone.

Looks Like

- Students going directly home/to school, either walking, riding their bike / scooter, in a car
- Wearing helmets with bikes and scooters
- Using crossings correctly
- Supervising siblings
- Concentrating on surroundings
- Waiting inside the school fence

Sounds Like

- Listening to the crossing supervisor
- Listening for traffic

Feels Like

- Being safe
