Don't Be Found In Out-Of-Bounds

Focus:

Children understand which areas of the school are 'out of bounds' and which areas they are permitted to be in. They understand that staying in the right areas will help keep them safe at school.

Looks Like

- Students working, eating and playing in the areas that are supervised continuously by the teachers

Sounds Like

- Students asking permission to go into an 'out of bounds' area

Feels Like

- Being safe
