I Pull My Own Strings

Focus:

Students know that they are in charge of the decisions they make and for the consequences that may result from their choices. No-one can make you do what you don't want to do. You are responsible for "pulling your own strings".

Looks Like

- Following the school rules
- Students identifying when a situation is leading towards their "strings being pulled"
- Students walking away from situations where a rule may be broken.

Sounds Like

- Saying "no" and giving a reason why
- Happy safe play

Feels Like

- In control of self
- Knowing what's right and wrong and wanting to make good choices
