

Respect Yourself

Respect Others

Respect Property

Social Skills

If It's Meant To Be, It's Up to Me

Looks Like

Students having their things with them at school (homework, notes, tuckshop, lunch, hats)

Students organising their belongings themselves at the right time

Sounds Like

Students saying I have my homework in my bag, my lunch is in the fridge, tuckshop is already in the tuckshop box etc

Feels Like

Being organised makes you feel calm and gets the job done!
