- Queensland designed and made
- 80% Recycled Nylon and 20% XtraLife Lycra[®]. Sustainable fabric is made using a 100% regenerated nylon thread from pre and post consumer products such as fishnets and plastics recovered from the sea
- UPF 50+
- Ultrachlorine resistant (4 x more chlorine resistant than normal chlorine resistant spandex)
- Outstanding quality fabric for shape retention and maximum durability
- Soft feel fabric so comfy on young skin
